**Author's Note**

I Have Devoted My Visit To This Planet To The Resurrection Of The Mentally Dead, Which I Affectionately Refer To As Mummies. Never Did I Know That The Evil One Had Done Such A Great Job With These People Both Mentally And Physically As To Have Them Hate Self And Kind. My Greatest Dilemma And Hindrance Has Been The Black Devil. Born Amongst You, And By You, Married To You, Socializing With You, Praying In The Same Sacred Houses Of Worship As You; But Secretly They Have A Spiritual Pack With The Devil, Which Makes It Near Impossible For Them To Totally Surrender To The True Word Of God. Their Very Nature Won't Let Them. It's In Their Seed From **Genesis 3:15** And **1 Peter 5:9-10**. There Is A Curse Seed Of Devils Who Are The Canaanites. However, It's Not About Race When It Comes To Evil, Because There Are Black And White Evil People. But, For The Few Chosen From The Many Called, I Sift To Find Those Beings That Wish To Become One With The Supreme In All. Those That Wish To Know The Way, The Truth, And The Light

To Our Heavenly Father Creator Of All And His Chosen Anointed One (*Psalms 2:2*) ì *The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against his anointed, saying.*î So I, Noble Dr. Malachi Zodok York-El 33 /720 , Grand Al Mufti, The True Potentate (*1 Timothy 6:15*) ì *Which in his times he shall shew, who is the blessed and only Potentate, the King of kings, and Lord of lords;*î As I Am Known Throughout The Mystical Schools, The Incarnation Of Tehuti "Thoth" Student Of The Great Tum, Known As Atum-Re, The First Point Of Resurrection From Ignorance To The Right Knowledge, The Right Wisdom And The Right Overstanding, The Amen (*Revelation 3:14*), I Have Blended In With Each Of The Religions Most Interesting To My People. I Lived As One Of Them and Practiced As One Of Them In Order To Reveal The Misconceptions Of These Doctrines That Have Plagued And Diseased The Minds Of My People. Many Take Offense To That Practice, But I'm Sorry The Truth Must Be Told, For The Very Soul Of God Is At Risk.

## The Book Of Light

### INTRODUCTION

**Ques:** What is light symbolic of in Freemasonry and Shrinendom?

**Ans:** Light in Freemasonry and Shrinendom is symbolic of knowledge, which is not to be mistaken with the fire or torch bearer, Lucifer, known in the Bible book of Isaiah 14:12 as הֵילֵל *hey-lel hay-lale'*, meaning *light or torch bearer, shining one, morning star*.

**Bible ñ Old Testament, Isaiah 14:12**  
(With Hebrew Scripts)

How art thou fallen נָפַל <naphal> from Heaven שָׁמַיִם <shamayim>, O Lucifer הֵילֵל <hey-lel>, son בֶּן <ben> of the morning שָׁחַר <shachar> יָלַל <yalal>! How art thou cut down גָּדַע <gada'> to the ground אֲרֶץ <'erets>.

## The Book Of Light

which didst weaken **שׁלל** <chalash> the nations  
**גו** <gowy>!î

**How art thou fallen from Heaven, O Lucifer,  
 son of the morning! how art thou cut down to  
 the ground, which didst weaken the nations!î**

### *King James Version Of The Bible*

**2 Corinthians 11:14** calls Lucifer or Satan an  
 angel of light.

**Bible ñ New Testament, 2 Corinthians 11:14**  
*(with Greek scripts)*

**And** *και* <kai> **no** *ου* <ou> **marvel**  
*θαυμαστος* <thaumastos>; **for** *γαρ* <gar>  
**Satan** *σατανας* <Satanas> **himself** *αυτος*

*αγγελος* <aggelos> of light *φως* <phos>.î

## The Book Of Light

And no marvel; for Satan himself is transformed into an angel of light,

### *King James Version Of The Bible*

The Greek word for **light** used in this quote is ἰφως **phos** focē meaning *Force, light, fire because it is light and sheds light, a star, a lamp or torch.* The Israelites use to worship a star called **Remphan**, their blazing star of David (Acts 7:43).

### **Bible ñ New Testament, Acts 7:43** (with Greek scripts)

the highest order of Sufism called *the Order Of Al Khidrî or Al-Khalwatiyah* (الخلوتية).

The order of Aaron comes from the descendants of the prophet Aaron, the brother of the Eloheem Moses (Exodus 7:1) the Kohens, Kohen, Kahn, Khon, or Cohanîm *priests* which became Khan (خان) in Arabic. The order of Aaron became assistants to the Levitical priesthood (*Refer to the Luciferian Conspiracy, by the Noble: Rev. Dr. Malachi Z. York-El 33 /720* ).

As mentioned before, the order of Melchizedek is the highest order, which gave birth to the Judaic mystic society referred to as **cabalaism** and the book called the **Kabala**, which is considered the secret knowledge hidden in codes within the Old Testament called the order of Melchizedek, A.M.O.M. **Ques: What is the Kabala?**

**Ans:** According To *the American Heritage Dictionary* The Word **Kabala** Is Defined As:

**kab a la** or **kab ba la** (k bîÖ- lÖ, kÖ- b%òlÖ) *n.* Variants of **cabala**. **cab a la** or **cab ba la** also **kab a la** or **kab ba la** (k bîÖ- lÖ, kÖ- b%òlÖ) *n.* 1. Often **Cabala**. A body of mystical teachings of rabbinical origin, often based on an esoteric interpretation of the Hebrew Scriptures. 2. A secret doctrine

resembling these teachings.  
[Medieval Latin, from Hebrew  
*qabb l*, , received doctrine, tradition,  
from *qibb l*, to receive.]

The word **kabala** really comes from the **Aramic**  
Hebrew word כבל **KBL** (qal obs.) akin to  
(גבל), (חבל) Syretic Arabic. (كبل), means *to*  
*bind, combine*; hence (כבול). - Pu. (כבלי) (for  
w. (י) inserted for dagh. f.) to be girded, only in  
part. מכובל (Gram. 56). Hense כבל (c. p. כבלי)  
meaning *a bond or fetter* which is found in the  
Bible in Psalms 105:18, and 149:8. The word  
*fetter* according to the *American Heritage*  
*Dictionary* means something that serves to  
restrict; a restraint.

So from the definition above, the priest stands  
before the Levite initiate and restricts the secrets  
which comes from his mouth only to the ear of

the initiate. This is the method used in freemasonry to communicate the most secret words to initiates.

**Ques:** What did this doctrine become known as?

**Ans:** This secret doctrine became known as **the light**, according to the 3 monotheistic religions, **Judaism, Christianity, and Islam.**

The **cabala** *à kabala* is the esoteric text that is a well selected record for privileged membership only that is the under-stream of what is called **Judaism mysticisms**, which bred the **Masonic brotherhood** up to the **Knight Of Templar 32 to 33** degree and on above it is the **Moorish chapter** and **the Arab Shriners** the birth of the American group called the **Arabic Shrine**. brotherhood, which the Israelites obtained while in captivity in Babylon, who themselves were initiates in the Egyptian mysteries. The **Vatican** today also have their mystical order referred to as the **Knights of Columbus** and their Arab order called **Alhambra** for their **Moorish** chapter. You also have the order of the **Essene** and **Qumranian** of the Jordan who were of the order of Melchizedek. The above quote is symbolizing that man is **light**  
 and woman is **darkness**.

**Ques: Why is woman referred to as  
 ìdar knessî and man ìl ightî?**

## *The Book Of Light*

**Ans:** Simply because women are internal creatures, inner beings having vaginas and men are external creatures, outer or exposed beings having a phallusí, which is external. The contact between the sperm of the male and the ovum of the female can only happen properly by insertion of the phallus into the darkness of the vagina. Her fertilization in her ovaries or ovum takes place in the darkness of her womb, but the sperm produced in the seminal vesicle, onto the prostate glands must be ejaculated outward. To ejaculate is to separate the light of life from the darkness of the inner being, and put it outside of oneself. However, the **orgasm**, as in the word **organs** is done on the inside of the woman in **triple darkness**. So she is the seat of the **mysteries**, called the **mistress of darkness**, unlike the male or man.

**Ques:** What is true light?

## The Book Of Light

**Ans:** True light as we know it is knowledge, because to study in times past, you sat beneath a candle light which was fire.

**Ques:** What is knowledge?

**Ans:** The word **knowledge** comes from **Middle English** *knowlech: knowen*, meaning, *to know* . In Hebrew, the word for knowledge is **Dahíath** (דעה) and it means *reception, skill*, to know and it comes from the root word **Yada** (ידע). In Arabic, the word is **Alim** (علم) as in *knowledge* and **Āraf** (عرف) as *to know about something*. None of this is light or fire. In Hebrew, light is **Ore** (אור) and in Arabic *light* is **Nuwr** (نور) and *fire* is **Naar** (نار).

**Ques:** Can you define the English word **know**?

## The Book Of Light

**Ans:** The word **know** comes from **Middle English** *knownen*, from **Old English** *cnāwan* meaning *to know* *î*, from **Germanic** *\*knē(w)-*.

**2.** Zero-grade form *\*gṇə-*. **a.** CAN<sup>1</sup>, CON<sup>2</sup>, CUNNING, from **Old English** *cunnan*, meaning, *to know, know how to, be able to, declare, attest.î*

**Ques:** When was the first mention of **TRUE LIGHT** in the Bible?

**Ans:** The first time this shows up in the bible is in the Bible book of **John Chapter 1 Verse 9**, and it says:

**Bible - John 1:9, New Testament**  
(with Greek Scripts)

*îThat was ην <en> the true αληθινος <alethinos> Light φως <phos>, which ος <hos> lighteth φωτιζω <photizo> every man*

## The Book Of Light

πας <pas> ανθρωπος <anthropos> that  
cometh ερχομαι <erchomai> into εις <eis> the  
world κοσμος <kosmos>.î

î That was **THE TRUE LIGHT**, which  
lighteth every man that cometh into the  
world.î

### *King James Version Of The Bible*

This is speaking of the true light, the light or  
φως phos, foce meaning, î to shine or make  
manifestî that is in every man which is true life,  
which also represents the intellect, and the pen,  
for man was to have knowledge, wisdom and  
overstanding. In the **The Noble Koran** chapter  
**96** verse 4, it makes it clear that man was taught  
by the Qalam (قلم)îpe n or quillî.

It also makes mention of the true light in the  
Bible book of **1 John 2:8**, where you see it  
states:

ìA gain, a new commandment I write unto you, which thing is true in him and in you: because the darkness is past, and THE TRUE LIGHT now shineth.î

*King James Version Of The Bible*

## The Book Of Light

The word used for darkness is σκοτια skotia, skot-ee'-ah meaning *idimnes s, obscurityî*, so this in actuality is not speaking of actual darkness, but being obscure, meaning being *ihidden, covered up, or unknownî*. This is simply a term selected by **King James** translators to make you believe that darkness is bad and light is good, or better than black and that black people is bad and white people are good. However, this is un-true, for godís (Eloheem) original abode is in darkness when they said let there be light (*Genesis 1:3*), he was in darkness (*Amos 5:20*).

So in fact light or the wrong light is the author of chaos, trouble and confusion. If you read the whole of **1 John Chapter 2**, you will see that this was a letter sent to **Cyria**, Johnís girlfriend, about the behavior of her two sons.

## The Book Of Light

This definition clearly leaves you with the impression that light is white, clear or colourless like water, so you are left to think that everything that is white, colourless or pale, is good, and everything that is black or has colour is bad; which is a subliminal tactic of the devil who has transparent skin like a ghost but not a holy ghost, but rather the unholy ghost. 6-ether spirit evil force *ìP hos or Focê*, when as you have seen from the previous definition, the word light means *ito s hine,î* As the sun does it's 9-ether force which is a holy spirit.

**Ques: How is light defined in science?**

**Ans:** Light is defined by wavelengths, cosmic rays being the shortest, and the longest being electric power. Between the two are:

1. Gamma rays,

---

*The Book Of Light*

---

2. X- rays,
3. Ultraviolet light rays,
4. Infrared light rays,
5. Microwaves,
6. Television,
7. Waves radio waves and
8. Electric power.

Television waves and radio waves are forms of light laser. There is also the visible spectrum that runs from four hundred nanometers to seven hundred nanometers (one billionth ( $10^{-9}$ ) of a meter) in wavelength.

All light flowing through a prism becomes six colours:

1. Yellow,
2. Blue,
3. Red,

## The Book Of Light

4. Green,
5. Orange, and
6. Purple.

Black is not a colour and nor is White. Light in its esoteric form is at its atomic level. When you see full spectrum light in its physical state, it manifests as blackness. That is, all light and colour combined is blackness, which is supreme balancement. All things come out of blackness, which is god's original states (*Genesis 1:2*).

**Ques:** What is the scientific definition of the word light?

**Ans:** Scientists define **light** as a form of energy visible to the human eye that is radiated by moving charged particles. They learned that through experimentation, that light behaves like a particle at times and like a wave at other times.

---

*The Book Of Light*

---

The particle-like features are called photons. Photons are defined differently from particles of matter because they have no mass and always move at a constant speed of 300,000 km/sec (186,272 mi/sec) when they are in a vacuum. Light moves at a speed of one hundred eighty and six thousand, two hundred seventy two (186,272) miles per second. When light breaks into pieces or bends slightly as it passes around a corner, it shows wavelike behavior. These waves associated with light are called electromagnetic waves because they consist of changing electric and magnetic fields. Light does not need a medium or substance on which to travel, because light from the sun and stars travels through the vacuum of space.

**Ques:** How many kinds of light are there?

**Ans:** There are six types or sources of light as listed below:

## The Book Of Light

1. Incandescence
2. Luminescence
3. Synchrotron radiation
4. Lasers.
5. Halogen
6. Florescent

Finite, beam or ray infinite illuminative.

**Ques:** What is incandescent light?

**Ans:** Incandescent light emits visible light as a result of being heated, thus it shines very bright. In an **incandescent** light source, hot atoms collide with one another. These collisions transfer energy to some electrons, boosting them into higher energy levels. As the electrons release this energy, they give off photons. Some collisions are weak, however, some are strong, so the electrons become energetic to different

---

*The Book Of Light*

---

energy levels and photons of different energies are given off.

**Ques: What is luminescent light?**

**Ans:** A **luminescent** light source absorbs energy in some form other than heat, and is therefore usually cooler than an incandescent source. The colour of a luminescent source is not related to its temperature. A fluorescent light is a type of luminescent source that makes use of chemical compounds called phosphors.

**Ques: What is fluorescent light?**

**Ans:** The word **fluorescent** comes from **fluor** and **escence**. Fluorescent light tubes are filled with mercury vapor and coated on the inside with phosphors. As electricity passes through the tube, it excites the mercury atoms and makes

---

*The Book Of Light*

---

them emit blue, green, violet, and ultraviolet light. The electrons in phosphor atoms absorb the ultraviolet radiation, then release some energy to heat before emitting visible light with a lower frequency.

Phosphor compounds are also used to convert electron energy to light in a television picture tube. Beams of electrons in the tube collide with phosphor atoms in small dots on the screen, exciting the phosphor electrons to higher energy levels. As the electrons drop back to their original energy level, they emit some heat and visible light. The light from all the phosphor dots combine to form the picture.

In certain phosphor compounds, atoms remain excited for a long time before radiating light. A light source is called phosphorescent, if the delay between energy absorption and emission is

---

*The Book Of Light*

---

longer than one second. Phosphorescent materials can glow in the dark for several minutes after they have been exposed to strong light.

**Chemiluminescence** occurs when a chemical reaction produces molecules with electrons in excited energy levels that can then radiate light. The colour of the light depends on the chemical reaction. When **chemiluminescence** occurs in plants or animals, it is called **bioluminescence**. Many creatures, from bacteria to fish, make light this way by manufacturing substances called **luciferase** and **luciferin**. **Luciferase** helps **luciferin** combine with oxygen, and the resulting reaction creates excited molecules that emit light. Fireflies use flashes of light to attract mates, and some fish use **bioluminescence** to attract prey, or confuse predators.

## The Book Of Light

**Ques: What Is Synchrotron Radiation?**

**Ans:** In a synchrotron light source, electrons are accelerated by microwaves and kept in a circular orbit by large magnets. The whole machine, called a synchrotron, resembles a large artificial atom. The circulating electrons can be made to radiate very monochromatic light at a wide range of frequencies.

**Ques: What is laser light?**

**Ans:** The word **laser** comes from **L.** (Light) **A.** (amplification by) **S.** (stimulated) **E.** (emission of) **R.** (radiation). Lasers are devices that amplify light and produce light beams that stick together, ranging from infrared to ultraviolet. A light beam sticks together when its waves, or photons, diffuse in step with one another. Laser light, therefore, can be made extremely intense, highly directional, and very pure in colour (frequency).

## *The Book Of Light*

The light beam vibrates the same way at the same time, making it very powerful to cut through steel.

A **laser** is a special kind of light source that produces very regular waves that permit the light to be very tightly focused. Each radiating charge in a non-laser light source produces a light wave that may be a little different from the waves produced by the other charges. Laser sources have atoms whose electrons radiate all in step, or synchronously. As a result, the electrons produce light that is polarized, monochromatic (having only one wave length), and coherent, which means that its waves remain in step with their peaks and troughs coinciding over long distances.

**Ques: What is halogen light?**

## The Book Of Light

**Ans:** The word **Halogens** comes from the Greek words *hals* meaning *is salt* and *genes* meaning *born*. In chemistry, it is a group of five closely related chemically active elements being:

1. **fluorine**, whose symbol is **F**, is a pale, greenish-yellow gas, slightly heavier than air, poisonous, corrosive, and of penetrating and disagreeable odor. Its atomic weight is 18.998.
2. **chlorine**, whose symbol is **Cl**, is a greenish-yellow gaseous element. Chlorine is one of the halogens in group 17 of the periodic table. The atomic number of chlorine is 17.
3. **bromine**, whose symbol is **Br**, is a poisonous element, that at room temperature is a dark, reddish-brown liquid. Bromine is one of the halogens in group 17 of the periodic table. Its atomic number is 35, and its atomic weight is 79.9.

## The Book Of Light

4. **iodine**, whose symbol is **I**, is a chemically reactive element, and is blue-black solid at room temperature. Iodine is one of the halogens in group 17 of the periodic table. Its atomic number is 53, and its atomic weight is 126.905.

5. **astatine** originally called **alabamine**, because of the early research done at **Alabama Polytechnic Institute** is the radioactive element that is the heaviest of the halogens. The atomic number of astatine is 85, its atomic weight is 210 and its symbol is **At**.

The name **halogen** or *salt former*, refers to the property of each of the halogens to form with sodium a salt similar to common salt (sodium chloride). Each member of the group has a valence of -1 and combines with metals to form **halides**, as well as with metals and nonmetals to form **complex ions**.

## The Book Of Light

**Ques:** What kind of light is formed out of Halogen?

**Ans:** Halogen Lamps are formed from any of the five Halogen gases. Halogen lamp provides brilliant illumination by using electric current to heat a filament of tungsten metal until it glows. The filament is housed inside a sealed container, or envelope, made of quartz and filled with a halogen gas such as fluorine, chlorine, bromine, iodine, astatine, or a combination of these gases.

**Ques:** What about lightning?

**Ans:** The word **lightning** comes from Middle English, gerund of *lightnen*, meaning *to illuminate*, and *lighten* (*lightnen*, from *lighten*) from Old English *līhtan*. Unbeknown to many, by the time you see lightning hitting the ground, it is not actually coming down, but going back up. Do a little research, and you will see, that

## *The Book Of Light*

because sound travels slower than light, thunder is heard after the lightning is seen. The distance between a person and the lightning bolt can be estimated by counting the number of seconds between the lightning and the thunder. The light reaches the person almost immediately, but the sound travels about 1.6 km (about 1 mi) every 5 seconds, which can often be heard from more than 24 km (15 mi) away. The lightning bolt does not hit the ground at a straight angle, it hits it at a vertical angle, so you will not hear the thunder sound at the same time, the sound from different angles of the bolt reaches the person at different times.

**Ques:** Does the moon have light?

**Ans:** No. The moon does not contain any light of its own. It receives its light from the reflection of the sun.

**Ques:** What is the sun?

## The Book Of Light

**Ans:** The sun is a star 330,000 times the size of the planet earth that sits in the center of our solar system, and sustains all life forms on this planet Earth, being the source of heat and light, which is why the Bible book of Psalms 84:11 calls the Lord God a Shemesh (שֶׁמֶשׁ) is *unî* and The Noble Koran 2:258 calls it Shams (شمس).

existing life forms would cease. If a person stood out above the rest, he became a **Rabbi** or **Rabboni** as our **Lord Jesus Christ**, the light of the world (*John 1:7-10*) the sun of righteousness (*Malachi 4:2*). The sun is the light, the 93<sup>rd</sup> attribute **An Nur** (النور) *ithe lightî* of Islaam, and the number 93 million miles is the distance, and this is no coincidence. The sun is the "bright morning star."

**Ques:** What is the definition of the word star?

**Ans:** The word **star** comes from Old English *steorra*, star, from Germanic *\*sterzōn-*. *\*stēr-lā-* from Latin *stēlla*, star, Oldest root form *\*aster-*. **ASTER**, **ASTERIATED**, **ASTERISK**, **ASTERISM**, **ASTEROID**, **ASTRAL**, **ASTRO-**; **ASTRAPHOBIA**, **DISASTER**, from Greek *astēr*, star, with its derivative *astron*, star, compound *astrapē*, *asteropē*, meaning *ilightning*, *twinklingî*.

## The Book Of Light

ESTHER, from Persian *sitareh*, star, from Iranian stem \**stār-*, esther, who's Hebrew name was **Hadessa**, her Akkadian (Accadian) name was **Asherah**, and her Sumerian name was **Ishtar** from where the Order Of The Eastern Star derived their name.

**Ques: What are stars?**

**Ans: Stars** are self-luminous celestial bodies consisting of a mass of gas held together by its own gravity in which the energy generated by nuclear reactions in the interior is balanced by the outflow of energy to the surface, and the inward-directed gravitational forces are balanced by the outward-directed gas and radiation pressures; a fixed point of light visible in the night sky. Many religions and organizations have adopted the star as their symbol, such as the Eastern Stars, who use it as a representation of

the star in the east that the wisemen saw that indicated where **Isa Al Masih** (عيسى المسيح) *Jesus the Christ* was born. Gas is spirit force, the spirit of God, that's what and who **Jesus** is.

**Ques: Is the soul light?**

**Ans:** If you look up the word spirit in **Hebrew**, you will find רוּחַ **ruwach** *roo'-akh* meaning *wind, breath*. However, its real meaning is soul or wind. In **Arabic**, you find **روح** **ruwh** has the same meaning, and in **Greek** you will find ψυχή **psuche** *psoo-khay'* meaning *breath, the breath of life* from ψυχω **psucho** *psoo'-kho* meaning, *to breathe, blow*. The word **breath** comes from **Old English** *bræth*, meaning *odor, exhalation*, so the soul is not light, but the wind or breath of God, that he breath into every man that cometh into the world, the light is

## The Book Of Light

the light in men. Jesus is the light of this world, the breath or wind of god, his soul made flesh.

**Ques:** Is the spirit light?

**Ans:** The word **spirit** comes from **Middle English**, from **Old French** *espirit*, from **Latin** *spīritus*, meaning *breath*, from *spīrāre*, meaning, *to breathe*.<sup>1</sup> The **Hebrew** word for **spirit** is נפש **Nephesh** *neh'-fesh* meaning *self, life, creature, person, living being, desire, emotion, passion, that which breathes*,<sup>2</sup> from the root word נפש **naphash** *naw-fash'* meaning, *to take breath, refresh oneself*.<sup>3</sup> And it is the same word in **Arabic** **Nafes** (نفس), Meaning *spirit* or *self*.

Jesus is not the self of God, **Nephesh** (נפש) mistakenly translated as *soul*, which is **Ruakh** (רוח). God said I am that the self and of Jesus,

he say, he will be from me thatís the soul **Ruakh** (רוח).

The spiritual life determines the form of the body; and the character ìthe whoî you are, and ìthe whatî you are, the light of the soul as it perspires through the spiritual skin. This is called "the true light;" a result from the light or sun that burns within your solar plexus; it is the dictionary of your emotions.

**Ques:** Is the aura considered light as well?  
What is an aura?

**Ans:** Your aura is the light that shines. The word **aura** comes from **Middle English**, meaning ìgentle breeze,î from **Latin**, from **Greek**, meaning ìbreathî. There is a voltage and current between the crown seat and the root

seat of a human being. This flow gives rise to a magnetic field, which surrounds each individual. Your **Aura** or as it is called in Arabic **Haalat** **هالة** from where they get the word **Halo**, which is a Greek word **Helios** (ἥλιος) meaning *à sunî* and is described as an invisible breath, emanation, or radiation. An **aura** is a distinctive but intangible quality that seems to surround a person or thing. You see it many times on icons, pictures and you see it around their head.

**Ques: Is God light?**

**Ans: In The Noble Koran 24:35** of Muhammad, *God becomes the light of the Heavens and the earth*, and I quote:

**The Noble Koran 24:35 (With Arabic Script)**

## The Book Of Light

A star is a self-luminous celestial body consisting of a mass of gas held together by its own gravity in which the energy generated by nuclear reactions in the interior is balanced by the outflow of energy to the surface, and the inward-directed gravitational forces are balanced by the outward-directed gas and radiation pressures. This makes a star emanate light or gives off light, and God is called in our Bible (Psalms 84:11) a Shemesh (שֶׁמֶשׁ) *is un,î* which is the star that sustains or is the Rabb (رَبِّ) *is ustainerî* of all life force on this planet Earth.

**Ques: Does God dwell in light?**

### *King James Version Of The Bible*

The Hebrew word used again for thick darkness is arawfel (ערפל) meaning ì heavy or dark cloud, thick darknessî . In Amos 5:18, 20, it tells us the day of Yahweh (the Lord) is darkness, and not light, so how can darkness be synonymous with being bad or evil if thatís where Eloheem (Gods) or Yahweh, the Lord dwell originally.

**Ques:** Is darkness evil?

**Ans:** It depends on which point of view you see it from, the religious point of view or the scientific point of view. Looking at it from the religious point of view, darkness is considered evil, and chaos, and light is considered good and knowledge. That's the Canaanites point of view, their racism. White good and black bad but as you can see they lied, they are wrong. Looking at it from the scientific point of view, light is considered chaos and darkness is considered good. If you sit in a dark room, you feel at peace, just as you were in your mother's womb. You felt secure, however, as soon as you turn on the light, you give birth to chaos. For the world was

in a state of peace and darkness, before the Eloheem (Gods) turned on the lights, then gave birth to Adamís seed, which have been causing havoc and evil since the day of his birth (Proverbs 22:15).

### *King James Version Of The Bible*

## The Book Of Light

Darkness has become a tool of a race of people who want to make all others of colour feel inferior, using the devil through fear and scare tactics, the unseen world, the spirit, the spook and the ghosts. Even their versions of the Bible says God was in darkness first, or moves in darkness- **Genesis 1:2** *And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.* You have from the darkness **Eloheem** (Gods), came the light sun, a star named **Jehovah**, the Lord. Don't fear we worship **The Most High God Elyon Al** (**Genesis 14:18**).

**Ques:** Is there light, as we know it in Heaven?

**Ans:** **Heaven** as it has been termed by the religious society, in the Bible book of **John 14:2** has many mansions *In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you.*, and

## The Book Of Light

these mansions are as the Bible book of Isaiah 13:10 states:

**Bible ñ Old Testament, Isaiah 13:10**  
*(with Hebrew Scripts)*

ì For the stars כוכב <kowkab> of Heaven שמים <shamayim> and the constellations כסיל <Keciyl> thereof shall not give דלל <halal> their light אור <'owr>: the sun שמש <shemesh> shall be darkened חשך <chashak> in his going forth יצא <yatsa'>, and the moon ירח <yareach> shall not cause her light אור <'owr> to shine נגה <nagahh>.<sup>î</sup>

ìF or the stars of Heaven and the constellations thereof shall not give their light: the sun shall be darkened in his going forth, and the moon shall not cause her light to shine.<sup>î</sup>

*King James Version Of The Bible*

## The Book Of Light

This quote is making it quite clear that the Orion constellation is the Heavens, which is again mentioned in Job 9:9, 38:31 and Amos 5:8, Orion כְּסִיל Keciyl kes-eel' meaning *ia Heavenly constellation*.<sup>1</sup> The New Testament confirms Orion as Heaven in 2 Thessalonians 1:7 and I quote:

### **Bible New Testament, 2 Thessalonians 1:7** **(With Greek Scripts)**

*ia nd και <kai> to you υμιν <humin> who are troubled θλιβω <thlibo> rest ανεσις <anesis> with μετα <meta> us ημων <hemon>, when en <en> the Lord κυριος <kurios> Jesus Ιησους <Iesous> shall be revealed αποκαλυψις <apokalupsis> from απο <apo> Heaven ουρανος <ouranos> with μετα <meta> his αυτος <autos> mighty δυναμις <dunamis> angels αγγελος <aggelos>.<sup>1</sup>*

## The Book Of Light

And to you who are troubled rest with us,  
when the Lord Jesus shall be revealed from  
Heaven with his mighty angels,†

### *King James Version Of The Bible*

And **Orion** in Greek throughout the New Testament is **Ouranos** (οὐρανός) and is simply a star constellation lying on the celestial equator east of the **Taurus** constellation. So Orion or heaven is a star constellation, 7 brightest stars like 7 humans and stars gives off light, thus, yes, there is light in Heaven and you can see it with your naked eyes every 70 days.

**Ques: Is hell lit up?**

**Ans:** According to the religious point of view, hell is a place of eternal burning fire for the condemned souls, which is constantly burning with fire and brimstones. The word **Hell** comes

## The Book Of Light

from Old English *hell*, hell; HEL, from Old Norse *Hel*, meaning *the underworld, goddess of death*. In Hebrew, **Hell** is called שְׁאוֹל *she'owl sheh-ole'* meaning *heol, underworld, grave, hell, pit*, (and if you notice, *Sheol* and *school* are the same words) (*Habakkuk 2:5*) and in Greek it is Ἅδης *hades hah'-dace* meaning *hell, grave* (*Revelation 20:14*), γέεννα *geenna gheh'-en-nah* meaning *hell fire* (*James 3:6*). In the Koran of Islaam faith, there are 7 hells **Jahannam** (جهنم) spoke of in *The Noble Koran 2:206; 3:12*, as listed below:

(1). The first one is **Jahannam**, the purgatorial hell for Muslims (*The Noble Koran 2:206*).

As you have seen, from the scientific point of view and from the religious point of view, light can be seen from many different aspects.

This book was translated into English for Freemasons and Shriners to embark knowledge or the true light upon the true Shriners for spiritual upliftment and enlightenment. As I Noble: Rev. Dr. Malachi. Z. York-El 33 /720 always say: *All should walk in the light of the sun as if all can see you at all times. Bathe in the light of the sun as if it can, as it does, heal all things.*

## The Book Of Light

*Take each step in its warmth as if the sun is your true loving parent, and think of it as the source of all life, as we all know it is. For without the sun, there would be no life, as we know it. This we all know.*

*~Come Let Us Pray~*

### **The Light Of The Heavens And The Earth**

Oh Most High God, the true source of life and growth, and sustained as the sun, the light of the Heavens and the earth. Let your grace rain upon me and guide me in all things. Work through me, so that I may help all Human beings. Touch my tongue so that I may speak Your words only. Let me care with Your heart, for my heart is weak. Close my eyes so that I only see what You see. I only serve You, and I am not worthy to rule. Please, take and wash my heart, so that it is new.

I have been tried, proven, tested and found worthy in your sight to keep that, which was sacred secret only for you Most High God. I stand before you with an open heart. Fill it with your blessing, as I have filled it with the love I have for you. Oh God guard me against the evil that seeks me day and night and give me the strength to fight, for that, which is right. You proclaim that you're a Shriner, every passerby can see that you have pledged to do the right thing wheresoever you may be, but worldwide, your brothers suffer loss and injury from you, if you do a wrong act which a Shriner wouldn't do. By the token you're wearing, you're expected to be fine; We have taught the world it's something to be chosen, to be in the shrine; and the man who wears its emblem has his fellows guarantee that a gentleman of honour, he is known and pledged to be; and if he shall fail that standard by some thoughtless word or whim, all Shriners, worldwide over, shall be put to shame by him. By the Scimitar and Crescent which you so proudly display, you are bound to live and travel in a bigger, better way. You must dignify the emblem, so none whom you may meet, be he friend or foe, may whisper that the shrine is but a

## *The Book Of Light*

Day after day we speak Your words from Your holy scriptures, and night after night, we turn to you in prayer of thanksgiving, for the love You bestow upon us and for you and your son, Jesus Christ.

There is no speech nor language, where your most beautiful name is not heard. Your name is heard throughout all the earth and Your words to the end of the world. Your message, oh Most High God, reaches the Heavens and all corners of the universes. Here, You have made a home for the sun of righteousness, which is as a joyous bridegroom coming out of his chamber, and rejoices as a strong man wins a race. Help me, Your most humble child, to abide forever within your tabernacle of righteousness, and to receive the glorious crown of life.

*The Book Of Light*

---

Oh Lord and Saviour Jesus Christ, thank you for coming forth to this world for us. The Heavens have opened up, and your glory goes to the end of all things. There is nothing in the Heavens or the earth that is hid from your father's sight.

The law of the Lord given to Moses, is grace and truth, and is perfect, for it converts the souls of those who strive to walk in Your path. The testimony of the most Supreme High God, is trustworthy, making the path an easy journey.

The statutes of God are right; they make the hearts of your servants rejoice. The commandments of God are pure; they enlighten the eyes of those who only seek to follow your most holy laws. The fear of God is clean and endures forever. The judgments of God are true and righteous at all times. They are to be desired more than gold, yes, more than the finest gold. Oh Most High God, Your judgments are sweeter also than the purest honey.

## *The Book Of Light*

As your servant, I am warned by Your laws: and am greatly rewarded for keeping your statutes, judgments and commandments. Who is there that is able to understand my errors, my faults and my wrong doings? Oh Most High, cleanse me from the faults that I keep secret within me, which only you, oh Most High can see.

Keep me, Your servant safe, also from presumptuous wrong doings; don't let them take control over me, so that I will be upright in Your sight, and innocent from the great transgression. Let the words of my mouth, and the meditation of my heart, be acceptable in Your sight, oh Most High, You are my strength and my redeemer. I ask this in the name of Your blessed son, Jesus Christ, Lord our Saviour. Amen.

**Forgive My Wrong Doings, Oh Most High**

Have mercy on me, Oh Most High, according to Your loving kindness. According to the multitude of Your tender mercies, wipe away my sins. Wash me thoroughly from mine iniquity, and cleanse me from my wrong doings. For I acknowledge my transgressions: and my sins are ever before me.

Against You, You only, have I done wrong, working that which is evil in Your eyes, so that Your words may be seen to be justified, and You may be clear when You judge.

Truly, I was formed in evil; and in lust was I conceived. You desire truth from the depths of my most inner parts. And in the secrets of my soul, You will give me knowledge and wisdom, so that I may control my lust.

---

*The Book Of Light*

---

Purge me of my sins with hyssop, and I will be clean: wash me, and I will be pure in heart. Make me to hear joy and gladness and find satisfaction in true love not lust; that the seals, which You have broken in me, may rejoice. Let Your face be turned away from my wrong doings, and wipe out all my evil.

Create in me a clean heart, make me a better person and forgive me of my weakness, Oh Most High Ever Watchful, Most Merciful; and put a new and loyal spirit in me. Do not banish me from your presence; or take Your holy spirit from me.

Restore unto me the joy of your salvation; and uphold me with Your Angelic Beings. Then will I teach transgressors Your ways; and those who do wrong will be converted unto You. Deliver me from evil, Oh Most High, God of my

salvation: and my tongue will sing aloud of Your righteousness.

Oh Most High, open my lips; and my mouth will make clear Your praise. For You do not desire sacrifice; or I would give it to You: You do not delight in burnt offerings. The sacrifices of God are a broken spirit: a broken and a contrite heart, Oh Most High, You will not put from You.

Do good in Your good pleasure unto children of God: build the walls of Your temple. Then You will be pleased with the sacrifices of righteousness, then will Your most humble servants offer true faith upon You. Amen.

Oh protector of the weak, guider of the strong, I Your daughter, Your humble servant, do beseech You to shower me with Your Heavenly light. Fill me with Your tranquil spirit so that I may direct myself in your way. For I, as a child and a helper to man, feel weak. Oh Most High, the forgiver, forgive me for my weakness and bless me with the strength of Your son, Jesus. I know that I have fallen far from your grace. I know that my willingness to listen to the serpent enabled him

to beguile me. I repent my eagerness to step out of the position in which You created me, as I pursued pleasures, goods, and beauty, and I desired wisdom, not given me by You; I desired to be as You. And in so doing, have brought upon myself the pains and suffering that I bear. But I ask in Your most holy name, Elyown Al, as Your child, that You remake me from the inside out, and that You grant me Your amazing grace, Your eternal forgiveness, and Your enduring protection from myself, and my weaknesses. I ask this in the name of those whom You have showered with Your strength and blessings. Amen.

Oh protector of the weak, guider of the strong, I seek Your guidance in my life so that I may keep my feet firm on Your path of righteousness. Nourish my mind, so that my thoughts are pure and my words and opinions are free from evil.

Oh protector of the weak, guider of the strong, please oh Most High, I humbly ask You to guide my hands, my feet and my tongue, day after day, so that I may never again fall into the hands of the devil and his many temptations. Please, make me strong.

Oh protector of the weak, guider of the strong, grant me the wisdom of silence and quiet my mouth in times of trouble. Help me to always be a helper to my husband as I was created to be. Help me to lead my family into Your most holy

Keep my mind pure and free from being an assistant of the devil, for I have become weakened by the devil's temptations, his luster, his offerings, his enticement, and his many attractions.

Oh protector of the weak, guider of the strong, as a magnet, I am drawn to his appeals and I easily succumb myself to his most wicked desires, for I am no longer in control of my own Thoughts, but I have stepped out of my mind, and have allowed myself to become used as a vessel for his devilishment.

Destroy the evil that lies beneath my feet, and the evil that hovers above my head. I ask You, to destroy the evil that is lurking deep inside of me.

Help me, I ask you, oh Most High, as my sustainer, to guard me, and protect my footsteps, protect my thoughts, protect my eyes, protect my ears, protect my hands, and protect my very being from reaching out to the appeal and temptations of the devil, for my spirit is willing to stay in your grace, but my flesh succumbs to the most wicked, lustful desires.

Know that God has set apart those who are righteous from those that are wicked. God will hear my callings.

I will stand in awe and commit no wrong doings: I will commune with my own heart upon my bed, and be still. I will offer the sacrifices of righteousness, and put my trust in you, oh Most High. There are many that say, who will show us any good? Oh Most High, lift up the light of your countenance upon me. You have put gladness in my heart. It will both lay me down in

You hide Your face from wickedness and take no pleasure in it. Neither will evil dwell with You. The foolish will not stand in Your sight. You despise all workers of iniquity. You will destroy those that speak falsehood: Oh Most

Lead me, oh Most High, in Your righteousness, because of mine enemies; make your way straight before my face. For there is no faithfulness in their mouth; their inward parts are only Thoughts of wickedness and evil continuously. Their words are flattering and smooth, but full of deadly deceit.

Condemn them, Oh Most High; let their own schemes be their down fall. Drive them out of Your presence into the multitude of their transgressions; for they have rebelled against You. But let all those that put their trust in You rejoice; let them always shout for joy, because You have defended them. Let them also that love

As I think of the condition, I must consider my health, Oh Most High.

As I contemplate the journey, I must wonder  
what I may meet along the way, Oh Most High.

As all seem ready and all seem prepared, I must  
take second thought as to whether I want to make

As fear comes over me I must remember, you are  
my protectors, as I walk though the valley of the  
shadow of death, Oh Most High.

As I make up my mind that I must cross this  
harsh desert, I must remember you would not lay

As I encounter the many trials of this great  
crossing of this hot burning desert, I must keep

### **How Long?**

Oh Most High, rebuke me not in your anger, neither punish me in the heat of Your fury. Have mercy on me, Oh Most High; for I am weak: Oh Most High, heal me; for my bones are troubled. My very soul has been deeply shaken with terror. But You, Oh Most High, how long must I wait?

## *The Book Of Light*

Come back, Oh Most High, deliver my soul; oh save me for your mercies' sake. For in death, there is memory of You. In the grave, no one can praise You there. Yet, when they are raised in Christ, they will give You thanks.

I am weary with my grief; every night, my eyes flood my bed. I soak my couch with tears. My eyes blur from sorrow; my sight grows dim because of my enemies. Depart from me, all you workers of iniquity; for You oh God, has heard the voice of my weeping.

Oh you, God, has heard my plea for mercy; Oh you, God will receive my prayer. Let all mine enemies be ashamed and exceedingly troubled. Let them be turned back and be put to shame suddenly. Amen.

Make them a light on the path, and in the garden, a true friend, a curtain and a shelter from the fire. And bring forth all of it a written guidance to goodness. Provide us a function by way of the heart and the tongue and love of goodness, happiness and foresight from faith.

path of humans, how gently ye speak of hell fire for those who reject ye and your true author. Speak to our hearts of your undisputable word we read with our eyes and feel with our heart, two great gifts of our Heavenly father. How gently ye speak of paradise for those who accept ye and your true author. Many nights, my tears fell upon your pages as I thought of the small mind with one eye closed; I told your whole truth and the places they make for themselves. And within the tear of my heart, is the salt of the sea of Heaven. May each grain be added to the scale of my deed. And when your gifts to me called ears, have the pleasure to hear you, being recited by another of the creator's servants, oh how I listen with the ear that is a tunnel to my heart. So sweet is this truth, and so bitter is he who tries not to hearken unto ye.

### **Prayers For Driving Away Shayaatiyn `Devil s, Luciferians`**

Nothing would exist if You, God, the creator, didn't create it. You are alone in Your greatness; You have no partners that share in Your grace.

To You all sovereignty is due, and to You gratitude is due. And You are all powerful over everything.

I seek refuge in You, the ever watchful, Most High, who hears and knows all things from the shayaatiyn `devils,` the Luciferians, the one third that were cast out of Heaven and their evil suggestions, their pride, and their erotic poetry.

### **The Pearl And The Sky**

By Your kindness, I will be saved, unless I sabotage my own salvation by using my two physical eyes and not the spiritual one. Now we have reached the top of the mountain, oh Most High God, so tell all of us, those who are arriving, what time we are in.

Oh sustainer, I can also remember when my mind was clouded with sin, and I thought I could count the grains of sand on one beach, a light year has passed since.

## *The Book Of Light*

Oh Most High and all of Your Angelic Heavenly Hosts, I asked for Your forgiveness and You forgave me. And if I should ask You, oh my sustainer, will You do the same for those whose giddiness allows them to count snowflakes that melt in their hands? Oh, what fools these mortals are! Please, I ask You, fill me with Your Holy Spirit, so I won't be as a mere mortal.

As I look through the cone from the point to the circle of the universe, I count all the stars You created, feeling blessed and worthy of Your praise. Now, all those who have come to give praise, live by guiding time. Some throw small flame-lit metal apartments at Your moon. Helper of helpers, oh Most High, make me understand why they don't care to understand Your gifts. For they see not how You answered the deeds of Babel of before, and the prayers of all those who sought the truth.

Also, many forget how You dealt with ěAd, Thamud, Sodom, Gomorrah, Rome, Greece, the New Babylon and the cities of many other worlds, out of this small but evil one. The race of the Luciferians tries hard to return to his home planet, Saturn, the planet of his father. Satan, that old serpent (**Revelation 12:9**), thinks that from the six points of this galaxy, power would be in his sinning hand; what a laugh! For as he planned his plan, we too plan our plans (**The Noble Koran 8:30**), because our father, God, created his father, Lucifer called Iblis in the Koran, the rebellious son. Jesus, our Lord and Saviour, was created from the pure light as the light of the world. But the devil or Satan, called Iblis, fell from grace because of his pride; he became the consuming fire, a smokeless fire.

me with Your trust that I may make them also trustworthy to You. I found one point in a thing they call time. In that point, my rented body on earth experiences physical pain. Oh how I pray that all those that feel the physical pain of their sins, give their bodies to You, so that You may heal them of this fear of death. Oh taker and giver of time and life, why do so many fear the one thing they know nothing of? Is it because of being in the cup, full of physical wants given by Shaytaan, the physical seed of the devil?

Pearls get their beauty from the sky, but they don't look up. Yet, found deep in the shell of the oyster, from such filth comes such beauty. Only You oh Most High can make such wonders. destined gifts; infinite pain, destined peace. How can I teach them of Your love if they have not learned to love their loved-ones without rational reason? What must they be thinking now, even as I prepare a table for them? What evil do they contemplate for me? God is complete and He is all you need. God is the comfort you find deep inside. God, You are extractable, unconceivable, and receivable, and You are truly the one and only God. All those who have faith, say **il aa elahaî**, with your eyes closed; and know that nothing truly exists. Now open your eyes saying, **ì ellal lahî**. All of it is here. Can't they even see that small truth?

### **The Ants**

Oh Most High! Who is the breath in my body,  
the blood in my veins, the light in my days.

Please help me in my love of those who do not  
understand me and hate me, not knowing that  
You sent me to them with the light.

Oh Most High! Could I not have been sent to  
lead the ants? I think they could have  
understood.

Oh Most High, my ruler forgive me this  
question. It is the cry of the half human nature  
You gave me in Your work.

Oh my sustainer, do I have Your permission to  
cry for those who do not love You, the hurt, the  
pain they are to receive for this?

They cannot see, nor hear You. I know oh my  
father, that You gave them senses.

*The Book Of Light*          

Oh my sustainer, who has the power to extract the salt from our tears, and the savor from the salt, divide also the evil from the good and evil in the earth, and let us walk Your narrow path, the narrow path of those before us.

I see the narrow path my father, I want to teach them to walk in it, to love You and not fear. Help me, help me, help me.

Oh seal of the prophet, I see you have glorified my name. I have sent you to them, but they do not believe. Surely I love them so very much (by the tongue of Al Masih ì the messiahî) .

Thank You for Your time. Again, green is what it is to be. To be with You was as refreshing as the birth of birds, the signs of summer. Your voice whispered the truth in my heart.

Also, help the black devils who go out of their way to do evil against Your true righteous servants, who strive to stay on Your path, the peaceful way of life.

Please take their hands off the faces of my foolish brothers and sisters, daughters and sons, the negligent.

Let me blink for the whole world and when my eyes are open again, let me see Your messenger and his angelic Heavenly Hosts at Your gate.

Provider of all things that we see and cannot see, plus what we miss and try to miss, I speak to the entire world.

I am here for you to bring the lamp to light your way to God, the ever watchful one, look this way, look this way.

### **Save Me From Myself**

Forgive me Oh Most High, forgive me and save me from my worst enemy, myself. Guide me in seeing that it is my own desires that lead to my suffering.

Teach me humility, and remind me that it is those that humble themselves that You glorify; and those that glorify themselves that You humble.

Help me realize dear Lord that I can only find refuge in You. I need protection from my ego, my gluttony, my lust, my emotions, and myself all of which leads to my self- destruction.

### **Why Am I**

My Father, how unworthy I am of Your love; how I fall short of deserving Your blessings. Help me understand that I have earned none of these, only Your wrath, nevertheless dear Lord, You give me continuous inspiration through Your grace.

You always provide me with guidance, even when I think I know the way and stray from You, or convince myself in my ignorance, that I have all the answers. I feel a pressure in my heart

and feel my heart grow dense when I imagine  
Your divine love. Peace overcomes my being.  
Tears fill my eyes when I imagine Your love.  
That's when I know that I am here to do Your  
will, and not my own.

Expand my chest and my ability to endure.  
Bestow upon me duties of all I can withstand. Oh  
God, it can never be a burden serving You. I  
overstand now that's truly why I am.

I surrender, I surrender, I surrender all to You.  
Guide me Heavenly father in the direction where  
I can best serve. I am not afraid any longer to put  
all things in Your hands.

You have proven Yourself a million times over,  
even as I breathe to say this prayer, You prove  
Yourself. A witness to Your glory and majesty, I  
overstand now that's truly why I am.

Help me to feed the hungry, for it was You that fed me when I hungered. Help me to clothe the naked for it was You that clothed me when I was naked. ### **Prayers To Say Everyday**

Our sustainer, we have heard a preacher calling to the truth, saying put Your trust in Your sustainer, God, so we did put our trust in You, oh Most High;

Our sustainer, forgive us for our faults and cover us from evil deeds and make us die with the righteous.

Our sustainer, grant us what You have promised us, by the ones sent; and disgrace us not on the day of resurrection:

Surely, You will not fail to perform the promise.

ever living! We as Shriners take over vows and oath to you alone.

You forgive all of our wrong doings, old and new. You are true and beneficent. Oh Most High, You are the sustainer of Your servants, the Shriners. No one can stop the good that You bestow on Your servants the Shriners by Your immense favour. You hold back sustenance and become bounteous when You please.

I bear witness to the truth of the nobles who delivered the news of the resurrection to a new life. With a sense of reverence, oh Lord and all of Your angels, we Shriners send blessings on the companions of the ones sent from God. We also send blessings on all those sincere peaceful ones who faithfully followed the path and teachings of the Shrine the true and pure way of life.

May the ever-watchful Most High, the sustainer over the boundless universe, have mercy on all true Shriners. Ameen.

### Oh Most High, Help Us

Oh Most High and all of Your angels! We ask Your help and ask Your pardon. We put our trust in You, and we praise You in the best manner, we thank You and we are not ungrateful to You. We cast off and forsake the ones who disobey You. Oh Most High and all of Your angelic Heavenly Hosts, You alone do we serve and to You do we pray to and make obeisance. To You we flee, and we are quick in doing so, and we hope for Your mercy. According to Your will, let it be done, and fear Your punishment. Most surely Your punishment overtakes the disbelievers. **Forgiveness**

Oh Most High and all of Your angels! Forgive me and my parents and my teachers and all the women of peace, and all the men of peace with Your mercy; Oh Most Merciful of all those who You show mercy.

Oh Most High and all of Your angels! I have done much wrong to myself; and besides You, no one can forgive sins; so pardon me with Your special pardon from Yourself, and have mercy on me. Surely You are the pardonable, the merciful!

\*\*\*\*\*

### The Essence

All gratitude is due to God, the sustainer of all the knowledge in the boundless universes, creator and sustainer of life. God is he whose decree no one can deny, for where were any of us when you laid the foundation of the planet earth?

God, who is the most glorified and exalted, it is You who parted a great illuminating light into two lesser lights, light and fire and from which came Jinn and men. Amen.

### **Oh Most Magnificent**

Oh Most High, You are the most magnificent,  
You are the most magnificent, nothing would  
exist if You, the creator didn't create it; You are  
the most magnificent.

Oh Most High, You are the most magnificent,  
and all gratitude is due to You, oh Most High.

Oh Most High, You are glorified for You have  
kindled the hearts of the noble ones with the  
lamp of the everlasting gospel and the light of  
knowledge, and illuminated the hearts of those  
with the glow of truth and forgiveness.

Oh Most High, You are the most magnificent,  
Oh Most High, You are the most magnificent.  
Nothing would exist if You, the creator didn't  
create it, and You are the most magnificent.

## *The Book Of Light*

Oh Most High, You are the most magnificent,  
and all gratitude is for You.

You have also sent down Your messengers to  
deliver Your blessings to all the truthful ones and  
to forgive all their wrong doings, great or small.  
Nothing would exist if You, God, creator didn't  
create it, and You, King of Kings and Lord of  
Lords is the most magnificent. Oh Most High,  
You are the most magnificent; all gratitude is  
due to You, oh most magnificent.

Now we send our blessings and greetings to the  
best of the creation; to the brilliant moon and the  
nourishing and healing sun of righteousness; to  
the light of guidance;

To the noble ones who sat before You, oh Most  
High, nearer than the two ends of a bow when  
You ascended to the Heavenly skies.

## The Book Of Light

The gratitude is due to You, oh Most High and peace be unto those whom You have sent to help guide us back to the most Heavenly abode.

I bear witness that nothing would exist if You, the creator didn't create it. You are alone; You have no partner.

Oh Most High, nothing would exist if You, the creator of the boundless universe didn't create it. Amen.

\*\*\*\*\*

### **The Way Out**

Oh true light of God, You are He, who gives the truthful ones the way out of spiritual darkness and blindness, into the light of knowledge and truth, which can bring all out of darkness into light by Your own permission.

## The Book Of Light

You are God, who made the darkness and the light. You only ordered what is good and made unlawful what is bad. You took away our shackles and burdens, which were upon us; and those of us who have the truth deep down in our hearts, follow Your light shining brightly for all to see.

Allow me to partake of Your light, by Your will, not of my own. Allow me to bathe myself once again in Your spiritual light and cleanse my spirit, my body and my very soul free from all wickedness.

Curse be those who want to distinguish the light of God with their very mouths, but God will not consent except that He may only perfect his light. Is darkness and light equal? Are a blind man and a seeing man equal?

## *The Book Of Light*

Your most holy scriptures were only sent down to bring us all from spiritual darkness into the light.

I know that You, oh Most High, who as the sun, is the light of the galactic Heavens and the planet Earth. Your light is like a niche, and in the niche is a lamp, and the lamp is in a glass, and the glass is as if it was a shining star brightly lit from a blessed olive tree, You are light unto light. Oh Most High, guide to Your light to whom You will, of Your own will, if I am of Your most worthy servants. Oh light of all lights, guide me to Your pure light.

Oh Most Noble One, I wish to be there on the day when You will see the truthful ones with their lights shining, their hands in front of them, carrying their good news, the everlasting gospel.

## *The Book Of Light*

On that day, all the hypocrites will wish for the light of the truthful ones, saying ějust look at us so that we may borrow Your light,í but a wall will be between them.

Even the great martyrs You have given light to, oh Most High.

Oh true followers of Al Masih ìthe Messiahî, walk in the two forms of mercy for God will make for You all a light in which You will walk, and by which he will forgive You all.

Some of the disbelievers wanted to extinguish Godís light with their mouth, but You oh Most High have perfected Your light.

And Your holy and sacred words, oh Most High, which if recited daily can take anyone out of

## *The Book Of Light*

spiritual darkness and into Your light so that they can enter Your blissful gardens.

Oh Most High, You made the moon in the night skies to reflect the light of the sun and You also made the sun to shine like a lamp.

Don't let me be of the fools who kindle a fire to remove the darkness, yet when it illuminates all around them, and God takes away their light, they are unable to see.

Oh Most High, indeed Your light has come to us all as a clear and Holy Scripture.

Just as You made the sun and gave light. You made the moon pass through phases, so that we may know the numbers of years to calculate.

Those whom You deprive of Your light can never find their spiritual light.

*The Book Of Light*

I, Oh Most High, Your most humble servant,  
who wishes to stay in Your grace and always  
bathe myself in Your light, honour You so that  
You may lead me out of spiritual darkness into  
Your light and shower Your mercy upon me.

The planet Earth now shines with Your light.  
Let me bathe in that light of pure truth.

Let me see my way to bow at Your mercy, which  
is Your light. Amen.

\*\*\*\*\*

**Let There Be Light**

(You are the true light which lights each mortal  
who comes into this world. I beg You to shower  
me with strength, so that I can admit that I am in  
darkness and that I need Your guidance.)

*The Book Of Light*

Oh Most High, who is able to do all things at a twinkle and at the blink of the eye, please transform me from the lowly mortal who dwells in self-pity and ignorance, to one of those beings who walk in Your light of immortality, for they are constantly being subservient to You.

Oh Most High who forgives, please forgive me for what I do openly and what I do unconsciously, for I am of those who need Your help. Help me, help me, help me, oh Most High. Accept me by first testing me with Your trials and tribulations and suppressing my ego and my pride so that I may be worthy to sit on Your lighted throne.

Oh Most High, who is the only one that is able to help me, help me to see my way and to know that I am nothing and is able to succeed in anything without You, for without You nothing could be.

## The Book Of Light

Oh Most High, who placed the spark of life in the womb of each mother who yields a child, gives me a rebirth. Allow me to grow as a new being in Your spiritual light. Place a new spark in my heart, so that I may be like a baby in Your presence, ever crying for Your help. Help me; help me; help me. Wean me on Your way and teach me of my true worth so that my loyalty is only for You always.

Oh Most High who is capable of turning back from righteousness, make my path so bright and clear that I will never be able to reject You or turn away from You through temptations as I've seen so many others do. Make me to stand firm on the path like those righteous servants who enjoy the presence of being with You.

Oh Most High, who put the wetness in the tear of the baby who cries, wash away my evils and my

weaknesses and make me strong so that I may stand against the winds of evil and wickedness.

Oh Most High, who knows all things before they happen and merely says to a thing *it exists* and it will happen, if it is Your will, let Your will be done. Make me, by Your will, and not of my will. If I am worthy, one of those who spend neither day nor night without remembering You and calling on Your most sacred names.

Oh Most High, who constructed the mountains and laid great empires to carry on in Your way, make me not of those who can't appreciate the abundance You have showered upon us. Oh Most High who put the wetness in the water, wash me in Your splendour and let me forever bathe in the pure light of truth and love; the divine love that is so apparent in the many gifts that You have bestowed upon us.

*The Book Of Light*

Oh Most High, who put the multiple colours in all of his flowers, and the shades and the hues in all of his creatures, and the differences in all of the personalities, make me one of those who only see the light that shines from the heart of every individual that walks the earth. Let me not be distracted by the ways and names of kings, rulers, sultans and princes; but let me be a beggar before Your magnificent throne asking for the mere gifts of truth.

Oh Most High who no one knows who He is except He, let me be of those who serve You without question or doubt, and live day and night with You as their garment. Let me wear You in warmth and bathe myself in Your beauty. Let the scent of You come from my body so that when people see me, they smell the splendour of Your gardens.

Oh Most High who put fear in the hearts of all creatures, let me be amongst those who are respected as keepers when they are in the presence of creatures created below them. Let me do the job for which I was created; but let me not for one moment tire in my prayers and supplications.

Oh Most High, who is the true light who lighteth all things, and put tone in the call of prayer, let me hear You when You call me and make me ever capable of responding to You with the utmost of swiftness.

Oh Most High, who is the reckoner, reckon with me for my wrongs, and strengthen me so that I may never do wrong again. Keep me in the company of those who are pious and of those who never turn from You, for You know what I am about to do before I do it. I beseech You to

be there and to prevent me. Trip me into the pool of righteousness, but let me not run into the sea of ignorance. Oh Heavenly Father, I, one of Your humble sons, stand before You asking You to chastise me when I am wrong.

Oh Most High, who is there before there even was, and here even when we can't see him, let him feel Your presence in all that I do so I may never be guilty of frowning on those who seek to hear Your name, be it once or a million times a day. Give me the strength to be willing to help and to guide those to You.

Oh Most High, who provided the fruits, and the sweets, the apple and the taste in the grape, and the corn and the wheat, make me ever thankful for the abundance that You showered upon me. Let me never forget who my provider is.

---

*The Book Of Light*

Oh Most High, who has the power to love me more than I love myself, so that I might throw this flesh upon the ground five or more times each day and call on You for forgiveness.

Oh Most High, who had the power to restrain the ìÎt that grew so deep within me and the ego and the pride that conquer me, let me strip this body down to the naked me, so that I can humbly stand before You. Let me strip myself of all the clothing of ignorance, of pride and of jealousy. Let me be one of Your soldiers, so that I might wear the armour of righteousness and truth.

Oh Most High who has the power to kindle light, light my heart so that all can see the truth beaming from my presence. He who is judge, judge me not with those who enter into the pit, but keep me on the path of those who are marching in Your direction; and keep me climbing and growing in Your presence. Oh all

Oh You who put the spark of life in the soul that

creatures to see Your light; I ask You to open the  
doors of my closed mind, so that Your

from Your humble servant and slave, my pleas to be with You in Your enchanting garden of delight.

Oh You, who like a flash, brought forth all life, kindle from the tip of my toe to the highest grain of hair upon my head, obedience and discipline and reverence to You alone. Oh You, God, who is like a bolt of lightning, strike down upon me so that I might learn to fear and walk amongst those who are fearing. You are the ray that peaks across the horizon as the sun begins to rise, so that it may bring nourishment to all the vegetation and living things upon this planet, called Earth.

Oh Most High, who shines even in the shadows, I am in the shadow of darkness. Please shine Your light upon me. Oh Most High, who brings forth existence from nothing, bring this lowly and nothing-like creature to the consciousness of

Your ever-guiding presence. You have provided us with all that we need and even have provided us with things that we don't need or don't know that we need.

Oh Most High, who has the power to remove all the illusions from the mind, make the pictures of this world clear and vivid, so that I may always understand the signs that You have bestowed upon me.

Oh Most High, who separated the male from the female, and the bird of the air from the fish of the sea, and the camel of the desert from the man, make life as clear to me as the distinction between their residence.

Oh Most High, who put the intellect through inspiration into the hearts of all of Your noble prophets, sages and great noble men of this realm

and the other realms which we strive to ascend to, accept me into the company of those pious beings who care less for their life than they do to see the pleasure in any way that You so desire.

Oh Most High, who is all compassionate and loving, know that I do love You with all the compassion and love that I have; and put nothing or no one before You in any way. You alone are the true creator of the boundless universe.

Oh Most High, who gives, know that I am willing to give all of me in Your services as Your true servant so that I may carry out Your word of light to all who have an ear to listen. He that has an ear let them hear what the angel of God says to the people.

Oh Most High, who made intellect possible through inspiration into the hearts of Your teachers and students, choose for me the position

that You wish for me to become in Your world. Don't leave me to make the decision on my own. Make me of Your will, the most honourable student of a great teacher of great students as You will, if it be of Your will, not of my own will, but of Your will, let it be done.

Oh Most High, who has showered all with abundance, know that I want so much in my heart to appreciate all Your gifts; that I never want to doubt or question any of Your favors; know that I always, as long as You give me the strength and power, bow when the calling to prayer is summoned.

Oh Most High, who is the giver of life and the one who causes the black camel to visit our tent before we transcend this realm to eternal life, please make me worthy through my actions, my

deeds and my practices in this life to be with You when its time expires and its eternal abode begins. Allow me to be worthy to enter into Your eternal abode and serve You there forever.

Oh Most High, who put the separation between night and day and who made the night to overcome the day, and the day to overcome the night that makes the sun and the moonshine at the same time ñ yet never disturb each other; and the stars to appear while they are there and never disturb each other, give me the capacity to dwell amongst people who has put their trust, belief and faith in their own way of life, which are different from mine, yet never disturb each other.

Oh Most High, who humbles the leaves and the vegetation when the season changes and who brings forth the sun's light that nourishes them so that they may grow, make me able to always

bow humbly before You and stand up erect and proud in Your gleaming light of wisdom as Your servant, so that I may carry on the works that You wish for mortals in this abode.

Oh Most High, who has made me an individual with many intellects passing through at all times to share with these people those gifts, make me worthy of them. Make me humble so that I may never become proud and arrogant; or feel that I am in any way better than those whom You have sent me to. If I do, bring a tear to my eye and let it glisten so that I may see in the mercy of those who ask for Your forgiveness a million times every second, as I do.

Oh Most High, who is the forgiver, forgive me.  
Amen.

**The Illuminating Light**

**(All true blessings are from You alone and so are those intimate little things none of us can do without. Let us all labour day and night to increase the amount of blessings we receive and are worthy to receive from You, oh Most High.)**

Blessed are You, oh Most High, who is pure light in each drop of blood that flows through the veins of the body of the righteous, nourish me and enrich me with Your illuminating light. Oh Blessed One, blessed be the creator and sustainer of all that lives and all whose black camel has visited their tents, and have passed on to the abode of eternal life.

Blessed are You, oh Most High, who has used the quill and ink to inscribe guidance upon leaves, so that the beings in the earth will find their way when times become dark.

*The Book Of Light*                    

Blessed are You, oh Most High, who has personified certain beings onto this planet called earth to guide all human-kind back to their rightful throne as supreme beings.

Blessed are You, oh Most High, who forgives abundantly as we walk through the valley of the shadow of death and fear everything for no reason at all.

Blessed are You, oh Most High, who forgives.

Blessed are You, oh Most High, who puts the sweet savor in the morning dew, the rainbow in the colourless sky and the illumination in the ray, so that we may appreciate Your true beauty.

Blessed are You, oh Most High, who puts the mortals as one people from all parts of the world,

*The Book Of Light*

so that they may find there way back to You, oh Most High.

Blessed are You, oh Most High, who has warned us against the wicked, the evil, the lowly, the conniving, the whisperers, the cunning, subtle and deceitful ones, and the cursed people who have taken the path of darkness in preference to His path of divine light and they seek to take all of the righteous with them as the tail of their star passes through the gates of Your most holy tabernacle, to lure Your righteous servants out of Your holy gates through lust and desire.

Blessed are You, oh Most High, who has given us the intellect to use Your scriptures, Your guidance and Your guides to find a simple path to Your ever-caring heart.

## *The Book Of Light*

Blessed are You, oh Most High, who made the north, the south, the east, and the west, and put me exactly in the center with the ability to travel in any direction I so choose according to Your will. This will is the sacred gift You have bestowed upon me.

Blessed are You, oh Most High, who created a numerical system to calculate and to determine the facts in our lives.

Blessed are You, oh Most High, who has given me the muscles in my body to bow, to squat, to prostrate and to stand erect as You command us in our prayer.

Blessed are You, oh Most High, who has put the light at the end of the tunnel; who has given me eyes so that I will find my way back to Your guidance.

*The Book Of Light*

Blessed are You, oh Most High, who heals, purifies, sustains, provides and gives, but You want nothing in return.

Blessed are You, oh Most High, who put the tick in the clock and has given us a ìto and froî and a beginning and an end, so that we may one day graduate into the ranks of Your elite ones.

Blessed are You, oh Most High, who makes all things possible for those who are truthful to Your holy laws You have set for us to abide by.

Blessed are You, oh Most High, who has sanctified a special day, called the Sabbath. It is for all those mortals who reflect on the many gifts that You bestow on them.

Blessed are You, oh Most High, who made gold, silver, diamonds, onyx, silks, velvets, and all

sorts of things attractive to the senses of taste, touch, smelling and hearing. Most of all, blessed are You, oh Most High, who placed the inner heart so that we may learn to have compassion and love for one another and so that we may be known as true servants by this true love we have for one another. I thank You more times than I shall breathe in my whole life.

Blessed are You, oh Most High, who shows us his love and concern and has the desire to guide the beings on earth. You sent the supreme beings as Your most honourable servants, prophets and apostles, down to this small speck of dust called Earth, which is properly placed in a fixed galaxy. Blessed are You, oh Most High. Amen.

**The Chandelier**

**(Let the light shine to remove all darkness;  
as it was said of the birth of this  
planet: let there be light.)**

Oh You who can, let this soul be lit with the pure light that all may see my beam and feel the warmth from me.

Oh You who can, establish in my temple a chandelier with nineteen (19) seats of light and seven (7) beams from each light, ninety-nine (99) of Your most precious sacred names surrounding it. May its center be Your one hundredth (100<sup>th</sup>) most sacred name. Let my life be filled by Your wish; and let me wish to fulfill Your wishes.

Oh You who can, let me know You, for to know You, is to love You; and to feel You is to share a

joy that just never ends. It is always full of light. Never is a dark moment in those who know You, oh Gracious God.

Oh You who can, teach me to trust in the wonderful things You do and to do wonderful things in Your most sacred name.

Oh You who can, distinguish the fire of hell and kindle the light of Heaven in my small heart. Let me humble myself, not as an individual, but as one of Your children. Give me a new identity, which is never to change or to shine.

Oh You who can, show me that light is seen and light is intelligence, light is powerful, light is expression, light is satisfying and light is life.

Oh You who can, show me the way, for to be prosperous and to be in health, I have to open the

world within and the world without. Both are full of the world without. Both are full of Your everlasting shining light.

Oh You who can, grant me a visit from Your blessed ray. I have seen the trials and have experienced the tribulations for the sake of growth. Let me pass my tests and be Your honourable child, so that I may contribute to Your scheme of things. Also, let me channel much good into other beings, so that we may grow in character and personality through the things we experience both happy and sad. I will receive them if it be from You.

Oh You who can, set me with the celestial ones, the enlightened ones who have received illumination, one of Your mediators to man, a candle holder lit by Your wisdom.

## *The Book Of Light*

Oh You who can, put all Your breath into the lungs of all born. In that breath is the light of light from the tallest tree to the smallest ant. Forgive my weaknesses; and help me to always stay near You and never veer off of Your path, and to fit somewhere in Your plan.

Oh You who can, I beg You to give me the strength I need to carry on, and to give me the trust that I need not to ask so many questions as Your most humble and patient servant.

Oh You who can, open my eyes when things become dim. Make me see those who are evil when they are coming after my very soul to put out my light of patience with the tail of their star.

Oh You who can, colour each flower, yet they all fit like the light around each of Your human being. Colour me green, so that the green light will always guide me.

*The Book Of Light*

Oh You who can protect, protect me from the worst of people ñ the weak links of Your chain, the ones who wish to stray from Your path, and the ones who when things don't go their way run in slow motion from You.

Oh You who can, by the light of Your divine eye see all things, see my weaknesses and guide me by Your lighted path to those who never turn back or away, not make any and all kinds of excuses to stray off Your rightful path of righteousness.

Oh You who can, keep me on the right path. I know I can become weak from the desires and temptations and fall or drift.

Oh You who can, show me the real me and teach me to live with it in Your way, according to Your will and not mine.

## The Book Of Light

Oh You who can, show me with Your divine light and forgiveness, as I am in need of Your forgiveness all the time for the wrong that my mind gets my body into. I am also in need of Your forgiveness from all that I think I want to do, which is other than to serve You day and night, evening and morning.

Oh You who can, light up darkness with Your divine soul, and put the spark of light in each shining star, who gave the sun of earth its light, who reflected the sun's light to the earth's moon, and who put the light of love in the baby's eye, I ask that I become a babe again to be reborn with the light from You in my eyes. Amen.

### **I See The Light**

(There is but one real birth and one real death and they are one and the same. It is like a drop of water in a great sea.)

### *The Book Of Light*

Oh Precious One, how do I thank You for the many gifts You give me, how do I show You that I see the light and I know what You want of me. Please show me how.

Oh Precious One, as I listen to Your birds sing and Your sea rush, now I wish to listen to the light of Your holy scriptures.

Oh Precious One, help me not to question Your ways but to obey Your wishes and to serve You with a smile on my face and joy in my heart, that I may gain the many things You sent to me.

Oh Precious One, I thank You for Your light.

Oh Precious One, age after age, year after year, month after month, day after day, hour after hour, minute after minute, second after second, You shower me with Your light. Give me the

## *The Book Of Light*

trust and confidence to carry on to be one of Your many helpers in the spread of Your shining light, but most of all in Your divine love.

Oh Precious One, You are alone in Your power.

Oh Precious One, as long as babies are being born, I know You are over us, and have not given up on us, so I will never give up on my job to give light to this dark world. I work for You with all sincerity and will work for You as long as I can.

Oh Precious One, help me to have the love for humans as You have for me. Help me to keep my mind on You and to hold on to my sanity when the humans bring me pain and try to dim my light. Make me learn how to see them as You see me and to know that I would like to think I am.

*The Book Of Light*

Oh Precious One, make Your words music to my ears and soothing to my heart and let me sing along with the words of truth bringing brightness to all that hears them.

Oh Precious One, sometimes You seem so distant to me that I cry for warm light like the early morning sun on a cool night, for You are someone special to me. You never intrude on me. You are always welcome, for all I really want is to have Your shining light. I feel as though I have asked You too many questions when all I really need is to know You.

Oh Precious One, I need You, I need You, I need You, I need You, I need You, I need You, I need You.

Oh Precious One, let me realize You, let me love You, losing myself in Your infinite self. I can love You by surrendering to You, o perfect one.

## The Book Of Light

Teach me by Your light to love You by loving Your beings, by giving them happiness at the cost of my own happiness, by rendering them service at the sacrifice of my own interests and by dedicating my life at the altar of selfless word.

Oh Precious One, the beginning of the real light of love is obedience, and the highest aspect of this love, which surpasses that of love itself, is the aspect which culminates into the perfect obedience of supreme resignation to the will and wish of the beloved. In this love are embodied all Sufis known to man and his kind.

Oh Precious One, the light of love is free from its fire of sacrifice. Like heat and light, love and sacrifice goes hand and hand. The true spirit of sacrifice that springs spontaneously does not and cannot reserve itself for particular objects and

---

*The Book Of Light*

---

special occasion. Love is not born from determination, loneliness, or desire. Love is a struggle with the love of self and the need of help. Love is the main spring of all true life. Heavenly father, I love You with the kind of love that can't be put into words.

Oh Precious One, can't I speak of the light of love and what it is? It's to give and never to ask. What guides to this light of love? Grace. What guides to grace? Grace is not easy to come by. It is gained by being ever ready to serve and reluctant to be served. All paths lead to grace. Just ask with an open heart and I know there is hope. Oh Heavenly father, I thank You for this moment of peace in Your holy name, I thank You. Oh precious one, I thank You, I thank You, I thank You, I thank You, I thank You, I thank You, I thank You.

## The Book Of Light

Oh Precious One, I seek not to possess anything but to be in Your grace. I desire for nothing, but Your approval to return unto You and bathe in Your light. I want nothing, because You have and are everything. Oh precious one, my real happiness lies in making others happy.

Oh Precious One, my only real desire is that which leads one to become perfect in order to make perfect. The true aim is that I aim to make others tremble at the mention of God by first trembling at the mention of God myself. Amen

### **A Prayer For The Noble**

Oh protector of the nobles, guider of the strong Shriners, I Your noble of the tribe of Judah do beseech You to shine Your sublime light upon me that I may get a hold on myself, and take

control of myself for I as a noble of the mystic shrine, the protector of your shrines and loyal provider of my family, feel weak, oh Most High, the forgiver, forgive me for being weak and make me strong. I know I can forfeight my right to be amongst Your noble and holy ones, but I humbly come before You asking You to keep me in Your holy grace among the noble, Your most loyal and humble servants, who only wish to be in Your grace, and to shine with Your true light.

I know that I could be of those that disobey Your commandment and listen to those who fell away and went back asleep, which caused me to fall from Your grace, out of the ranks of your nobles of Judah. I am to be a worker and a provider, yet I run away from my responsibilities. In so doing this shameful act, I have brought upon myself the hard toils and labors of this world which I cannot bear alone. Help me to be a strong and

willing provider to my helper so that she may help me in my tasks to reach Your blissful abode. Oh Most High, most ever watchful, protector of the weak, shine Your everlasting light upon me. I ask in Your most holy name, El Elyown, as Your child, that You remake me from the inside out, and that You grant me Your grace, Your forgiveness, and Your protection from myself, and my weaknesses. I ask this in the name of those whom You have showered with Your strength and blessings. Ameen.

amongst the ranks of Your noble and loyal beings when I listened to the voice of my wife and disobeyed Your commandment. I fell and became weakened and am no longer one of Your mighty strong servants.

Help me, oh Most High, oh He who watches over our every step, when I do wrong, and feel the constant need to feed my physical desires, and no longer yearn to feed my spiritual self, then I have fallen from Your grace. Keep me in Your light, to shine ever so brightly as I did when I walked amongst Your most holy angelic beings.

Oh Most High, help me to overcome my weaknesses, my pride and to rid myself of my ego that only keeps me farther away from You. Amen.

### **A Prayer For The Child**

Oh Guider, guide this child in the proper direction so that he/she may never veer off of Your path and fall victim to the pleasures and desires of the wicked devil that crouches down at his/her door waiting to lure their innocent souls. Oh guider, oh protector, please shield my child so that he/she may always shine in Your light and abide in Your glorious abode. If it be Your will, allow him/her to be protected throughout his/her life, and keep evil away from his/her on all sides. Protect him/her on his/her left side. Protect him/her on his/her right side. Protect him/her at her/his front from the evil. Protect him/her from behind the evil of what is all around him/her. **Amen.**

The nobles of Judah, we are from this truth, we have been taken far, lost sheep we be, what happened to you and me.

The nobles of Judah is the black race but more by what is in our hearts as heir of the kingdom of god, through Jesus Christ, rather than the colour of our face.
